

New Classes Available for 2020-2021

This fall we will have several new teachers joining us at NSAHS and they will be offering some new classes:

Lora Horner – English – 8th, 10th, 12th & Journalism

-Ms. Horner worked in the UND Writing lab where she helped students with their writing assignments. This will be a big help to our students as they prepared for life beyond NSAHS

Emily Schmid – Math -7th, 8th, Pre-Algebra, Business Math

Joyell Binstock – Business Education

-Mrs. Binstock is originally from Almont and graduated from NSAHS. She brings an innovative approach that is fun, interesting, and rewarding.

She will be offering the following classes:

Accounting I – This will be a ONE semester class for 2020-2021. This class will be offered in an Online format within our own building. This class is beneficial to all students wanting to pursue a career in business of any kind including farm and ranch careers.

Communication Tech (formerly Robotics) – This class will continue with coding and robotic components but will also be very STEM centered. Students will develop their problem solving and critical thinking skills.

Web Design (1/2) – Students will be learning the basics of developing websites that can be used for personal use as in helping with the family business.

Desktop Publishing (1/2) – students will learn the basics of computer applications that let them explore their creativity

Word Processing/Spreadsheets (1) – A better name would be Computer Apps. This is a great course for learning your way around computer programs that are used virtually every day in virtually every job.
